

ESCORTS WORLD SCHOOL

NOTICE

All students who are interested in joining the Robotics Lab are invited to register their names at the school office.

The Robotics Lab offers hands-on learning, innovation, and practical exposure to modern technology.

Students will get opportunities to work on exciting projects and develop problem-solving skills.

Limited seats are available, so interested students are encouraged to contact the office at the earliest.

For further details regarding batches and timings, please approach the school administration.
